DECORATIVE ELEMENTS | ZIERELEMENTE | ÉLÉMENTS DÉCORATIFS

1

pl

Dzięki elementom dekoracyjnym Mardom Decor uzupełnisz aranżację swojego wnętrza. Wsporniki, dekory i obramowania wykonane są z wodoodpornego i trwałego materiału ProFoam, którego gęstość pozwala na stworzenie głębokich i wyraźnych zdobień. Wszystkie elementy pokryte są białym primerem, który ułatwia wchłanianie kolejnych warstw farby.

de

Ergänzen Sie Ihre Inneneinrichtung mit Elementen von Mardom Decor. Alle Profile sind aus wasserfestem und haltbarem ProFoam-Material gefertigt. Dessen Dichte es ermöglicht, tiefe und klare Reliefs abzubilden. Alle Elemente sind mit einer weißen Grundierung versehen, die die Aufnahme des Endanstrichs erleichtert.

en

With Mardom Decor decorative elements you will complement the design of your interior. Brackets, decors and surrounds are made of waterproof and durable ProFoam material, whose density allows to create deep-cut and distinct decorations. All elements are treated with a white primer, which facilitates the absorption of subsequent layers of paint.

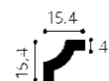

fr

Grâce aux éléments décoratifs Mardom Decor, vous complèterez votre aménagement intérieur. Les supports, décors et ornements sont en matériau ProFoam étanche et durable, dont la densité permet la création de décorations profondes et claires. Tous les éléments sont recouverts d'un apprêt blanc, ce qui facilite l'absorption des couches de peinture suivantes.
